

Lubricant Brilube 30

Product information

Typical applications: Tower Cranes, mobile cranes, dockside cranes and fishing ropes.

General: A semi-dry thin film lubricant with excellent penetration and corrosion resisting properties. Formulated for frequent use in harsh working conditions, whilst minimising lubricant build-up and abrasive particle contamination.

Minimum application temperature: -5°C.

Application method: Dipping, brushing or spraying.

Temperature range: -30°C up to +60°C
