

## Anchor MegaGrip

### Product information

Bolted plow anchor with double point for loose bottom.

Maximum allowable load is limited by the tearing force in the mounting eye and therefore depends on the size of the mooring shackle and bolt.

Part Code	WLL ton	MBL ton	Shackle size	Weight kg	Delivery time
8631414921500125	42	125	MBL 60 ton (bolt Ø28 mm)	1,500	7
