

Anchor Strap CONNEXION VARIO - 25 kN, Petzl

Product information

CONNEXION VARIO is a durable and adjustable anchor strap equipped with two forged steel attachment points. It offers several configurations for setting up an anchorage directly on an anchor or around a suitable structure. The strap length is adjustable, thanks to an adjustment buckle. A system keeps the remaining webbing stowed. It is available in two versions (30 to 200 cm and 200 to 400 cm).

- Offers several configurations for setting up an anchorage:
 - Directly on an anchor
 - Around an anchoring structure
 - Choked on an anchoring structure, thanks to the different sizes of the attachment points
- Adjustment buckle for adjusting strap length as required for setting up the anchorage
- Velcro helps stow the remaining webbing
- Durable construction:
 - Abrasion-resistant webbing
 - Forged steel attachment points
- Strap length is immediately identified by a label on the strap end featuring the large loop

Marking: According to standard, CE-marked, UKCA-marked

Temperature range: -30°C up to +50°C

Standard: EN 795-B
